

NeoCheck™

Disposable Blood Pressure Cuffs

For over ten years Zefon International has been designing and manufacturing superior blood pressure cuffs for leading blood pressure measurement instrument manufacturers. With a complete range of sizes, materials and connectors, Zefon brand cuffs represent the best value to bring consistent performance, patient comfort and economy to your medical setting.

Features

- Disposable; Eliminates costly disinfection procedures and contamination concerns.
- Cost Effective; Economical enough for single patient use.
- Increase infection control with single patient use cuffs.
- Available in soft white fabric material or flexible white vinyl material.
- Meets AAMI and AHA Cuff Sizing Recommendations.
- Color coded printing on each cuff makes it easy to identify cuff size.
- Latex Free.
- Designed as a direct replacement for OEM cuffs provided by monitor manufacturers.
- Full range of connectors and adapters allow standardization of cuffs across the whole hospital.
- Easy connection to electronic NIBP monitors or manual blood pressure measurement systems.

Latex Free **CE**
